

**FISH HATCHERY SPECIALIST 1
FISH PROGRAM, HATCHERIES
Cedar River Hatchery**

Open: July 23, 2010Closes: August 17, 2010

Positions: Two Non-Permanent Fish Hatchery Specialist 1 positions

Duration: 8 months

Anticipated Start Date: September 8, 2010

Salary: Range 30 (\$2113.00 - \$2724.00 per month DOE)

Duty Station: WDFW Cedar River Hatchery; Ravensdale, WA (King Co.)

Schedule: Full time; Hours and Schedule may vary

Description: The WDFW Cedar River Hatchery will have 2 Temporary Hatchery Specialist 1 positions lasting approximately 8 months starting September 8, 2010. The Cedar River Hatchery raises sockeye salmon at a temporary, interim hatchery in the Lake Washington basin. Applicants must be willing to work outside in variable weather conditions, be comfortable wading and working in a river, be able to safely and comfortably drive a 350 gallon tanker truck (does NOT require a CDL), work cooperatively with others, and perform a variety of physically demanding duties. These positions may require standby and there are temporary living quarters (travel trailers) available to facilitate the standby requirements.

Desired Qualifications:

Associate degree in fisheries technology or closely related field.

OR

Three years of education towards a Bachelor's degree in fisheries or closely related field.

OR

Successful completion of a fish culture program from a vocational school.

OR

Three years of experience performing a variety of fish culture duties in a hatchery will substitute for the required education.

Closing Date: 8/17/2010 - Please pass this on to anyone who may be interested but does not have email.

Applicants should send state application and a resume to:

Cedar River Hatchery
PO Box 829
Ravensdale, WA 98051
